## EDUCATION

Year	Examination	Institution	Board/University	CGPA/Percentage
2019	B.Tech. (CSE)	Indian Institute of Information Technology, Tiruchirappalli	IIIT Tiruchirappalli	8.36/10 (upto 6th Semester)
2015	Class XII, CBSE	Seedling Public School, Jaipur	CBSE	90.8%
2013	Class X, CBSE	Seedling Public School, Jaipur	CBSE	10/10

## PROJECTS & INTERSHIPS

### Hippocabs, Jaipur - Node JS, Java, PHP

Nov '18 - Jan '19, May '17 - Aug '17

- Developed a **Dynamic Pricing Algorithm** based on multiple factors using Node JS.
- Build a custom **ETL Tool** for data concurrency across Amazon RDS and BigQuery.
- Used Java and HikariCP for connection pooling on JDBC, for efficient Response time.
- Built an **automated web based Customer Relation Management System**. (JS, CSS, PHP)

### Merxius, Hyderabad - C#, .NET, UrhoSharp

May '18 - Jul '18

- Formulated the action plan for the development of Merxius' main product, **RED**.
- Built a Minimum Viable Product for a **3D Editor** using WPF (.NET Framework) and **UrhoSharp**.
- Developed a tool to enable the user to Record and Playback videos in a Virtual Reality Environment using **Unity3D** and **SteamVR**.

### Machine Learning Project - Python, sklearn, NumPy

Aug '17 - Oct '17

- Used Machine Learning for **Optical Character Recognition (OCR)**, which predicts digits with an accuracy of ~96%.
- Implemented Python libraries - **sklearn** and **NumPy** for image recognition and classification. (MNIST Database)

## POSITIONS OF RESPONSIBILITY

- **Training and Placement Representative, IIIT Trichy** - Facilitating various workshops and internships for students, building brand value of IIIT Tiruchirappalli.
- **Head Organizer, Atrang 2017** - Took lead to **initiate, conceptualize, and organise** the annual literature Festival.

## SKILLS & COMPETENCIES

**Languages:** English, Hindi, French (Elementary)

**Programming Languages:** Node JS, Java, C++, C#, Python, JavaScript

**Frameworks/IDE:** Vuforia, UrhoSharp, Unity3D

**Other skills:** Critical Thinking, Strong Observation, Leadership, Innovative, Curious, Eagerness to learn

## ACHIEVEMENTS & AWARDS

- **Awarded Certificate of Merit** by the institute for 3rd Semester
- **Certified** in JavaScript by the Vortex Association, NIT Trichy
- **Secured Silver Medal** at World Codesprint 5 (4000+ participants)
- **Awarded 1st position** in state level Debate Competition

## HOBBIES

- Photography
- Rubik's Cube Solving
- Competitive Programming
- Sports: Basketball, Table Tennis

## AREAS OF INTEREST

High Performance Computing | Parallel Processing | Machine Learning | Real Life Problem Solving | Big Data Analytics | App Development
